Artist: Leonardo da Vinci
Created: between 1503 and 1519
Style: Renaissance
Popularity: 258 355 062 bids
Highest bid: 159 234

Description:
"The Mona Lisa is a world-renowned portrait painted by Leonardo da Vinci. The subject is believed to be Lisa Gherardini, a Florentine woman, though her exact identity has long been debated. The painting features a seated woman with a subtle, enigmatic smile, gazing directly at the viewer. Her calm expression and mysterious demeanor have captivated audiences for centuries. She wears a simple, dark dress with delicate folds and a fine veil over her hair. The background depicts an imaginary, almost dreamlike landscape with winding paths, mountains, and a calm river."
